Field Trip—Tour one of Ohio’s largest producing quarries. Devonian-age Delaware and Columbus Limestones and Silurian-age Salina Dolomite are exposed. Continue to a quarry that produces building stone, primarily for the landscape market, and get a closer inspection of the Columbus Limestone to collect Devonian-age fossils.

Guest Trip 1—Includes stops at the **Ohio Statehouse**, Deaf School **Topiary Garden**, historic **German Village**, and the **Audubon Center**. Transportation may include ride-sharing.

Guest Trip 2—Includes stops at the **Governor’s Mansion and Heritage Garden**, **Franklin Park Conservatory and Chihuly glass exhibit** (\$7.50 admission fee), and the vibrant **Arena District** and **Short North** area. Transportation may include ride-sharing.

Note: Details of field and guest trips may be modified. There are tentative plans for additional informal activities on a pay-as-you-go basis. **Please indicate interest by checking:**

- _____ Tuesday, October 6: Dinner
- _____ Wednesday, October 7: Separate all-day trips for Forum attendees and guests (by ride-sharing) to east-central Ohio IM operations and local attractions
