President's Column

Dear Society Members,

This has been a great year for the Ohio Geological Society and there is still more to come!

The 2004 season will be capped off by a great 7th Annual Winter Gala on Friday, the 21st of January at the Ramada Plaza Hotel. It will feature live entertainment by Bill Foley and libations with geologists from around the state.

As the year draws to an end, I would like to remind everyone of the close of the OGS membership billing cycle. Yearly dues should be postmarked by January 31st, 2005. We are including a special gift for members with next year's membership; a CD containing all of OGS' publications, scanned and indexed. Members in good standing who will be unable to pick up the CD in person at a meeting should contact OGS for a copy to be mailed to them.

The events and speakers this year have drawn many compliments from members. I look forward to you joining us at some of our upcoming events where we hope to further raise the bar.

Sincerely,

Jason F. Henthorne
President
